H E I D E L B E R G

G E R M A N Y

In 2009, we founded NATUREA HEIDELBERG with the aim of developing high-quality natural products as an alternative to conventional medicines. The journey of our company began in 2003, when we worked with well-known German companies in the pharmaceutical and OTC sectors.

We want to help people improve their health in a natural and sustainable way.

OUR MISSION:

- ✿ innovative natural products
- ✿ preserve your health
- ✿ help humans

OUR TARGET:

- ✿ We strive to be the best in our field - BEST IN CLASS!
- ✿ We develop innovations to improve your quality of life.
- ✿ We want to strengthen your health.

WE STAND FOR:

- ✿ **experience** (20 years of experience)
- ✿ **trust** (openness and trust are fundamental values for us)
- ✿ **knowledge** (research and development with doctors, physiotherapists, dietary supplement manufacturers, athletes and coaches)

"Anything that is against nature, will not last for long."

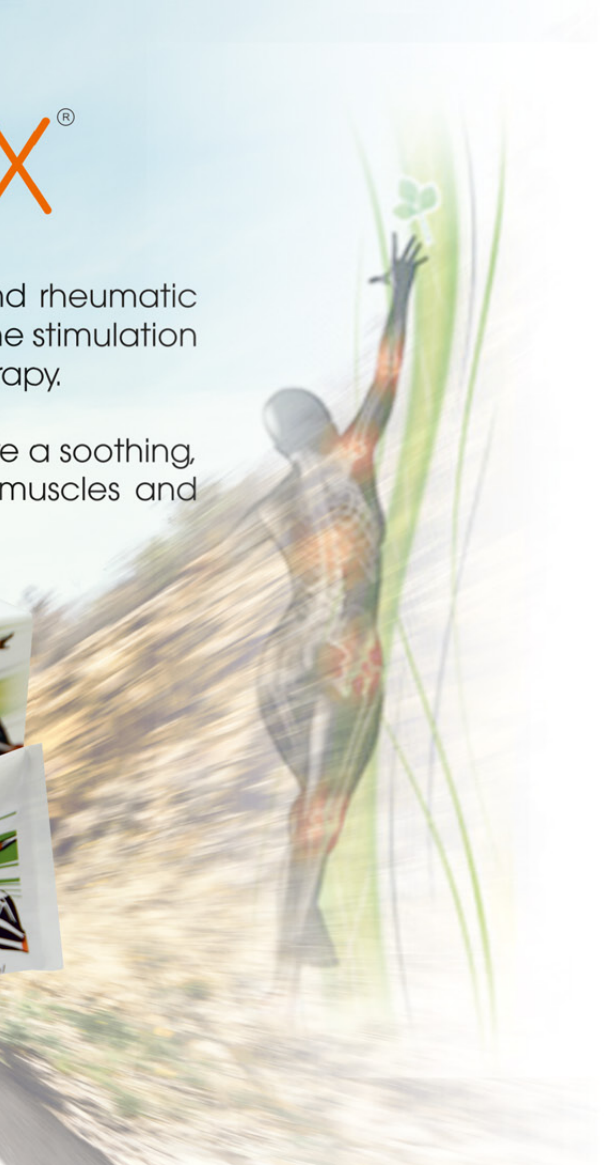

Charles Darwin

RHEUMAFLEX[®]

Cream gel with a beneficial effect on tensions and rheumatic pains. Seven **NATURAL ACTIVE** ingredients support the stimulation of massages, as a concomitant measure of pain therapy.

The active ingredients and essential herbal oils have a soothing, regenerating and invigorating effect on stressed muscles and joints.

LIVERNAT[®]

Milk thistle (silybum marianum) supports and protects the health of the liver, promotes digestion and the purification of the body, contributes to the detoxification potential and the regeneration of liver tissue and liver cells.

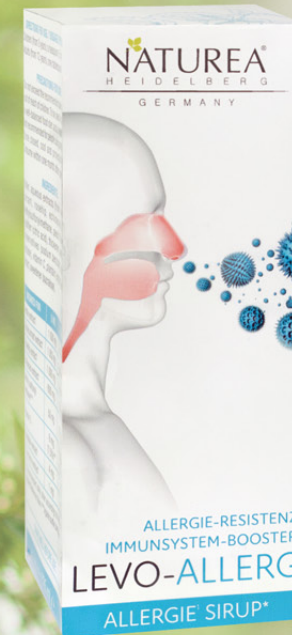

Choline promotes the maintenance of normal liver function.

LEVO-ALLERG

LEVO-ALLERG consists of a special combination of selected, natural active ingredients and plant extracts which are traditionally known for their particularly positive effect on allergies.

ALPENKRÄUTER - EMULSION

The emulsion has a high proportion of naturally pure essential herbal oils and herbal extracts.

A circulation-enhancing massage with the **ALPENKRÄUTER-EMULSION** is refreshing and regenerating after physical exertion, work, sports and when the musculoskeletal system becomes tired. It has a beneficial effect on headaches, tension, and aching muscles and joints.

fitnessMAX[®]

BEFORE warm-up training:

For an optimal workout: a circulation-enhancing massage with the fitnessMAX cream gel loosens the muscles and helps to prevent cramps, sore muscles and tension.

AFTER the fitness training:

Seven active herbal ingredients promote regeneration and have a soothing and relaxing effect after heavy physical exertion.

runningMAX[®]

Before the race – for a perfect preparation:

A circulation-enhancing massage with the runningMAX cream gel loosens the muscles and helps to prevent cramps, muscle soreness and tension.

After the marathon or jogging:

Seven active herbal ingredients promote regeneration and have a soothing and relaxing effect after heavy physical exertion.
